

Doug Stetson

Curriculum Vitae

Doug is the founder and president of AOYP.Org (Advanced Optimization of Your Pages), Orange County Chamber of Commerce (OccOcc.com), Fast411.com and LAOrange.com.

He specializes with technology partners to the business community since 1995. A vital full service online marketing expert utilizing cutting edge technologies while catapulting clients into competing on the Internet in this new millennium. Doug's diverse background stems from a distinguished career in the banking field, rising to V.P. and Bank Manager. Additional business acumen also involves past experience in the American Banking Association and as a California Private Investigator. His history of applied deductive and inductive logic abilities adds to his analytical expertise.

Doug is an expert regarding online yellow pages, search engines and website marketing. His primary responsibilities include business strategies that are built upon a stable foundation that supports growth for its business partners. AOYP pairs its professional online business tools with economically priced services to dramatically benefit businesses in their online presence, helping them to "Be Found" on the Internet. Some of his clients include Santa Ana Chamber of Commerce, Anaheim Chamber of Commerce, Orange County Chamber of Commerce, RBNinfo.com (9,000 Member Networking Group), Hardin Auto Dealers, Douglas Auto Dealers, Huntington Beach Dodge and others.
